FLOURISH has been an annual Bible Weekend in St Paul's since 2003 and this year our speaker is particularly exciting – he speaks at Spring Harvest and New Wine and leads a church that has grown exponentially in number and become four large, young, lively churches, over the past decade. And yet he remembers his years as a Policeman walking the streets in Crumpsall with great fondness, and is looking forward to coming back this way this June to help us Flourish in Action.

The programme will be thus:

Friday 17th June: 5.30pm Cold Buffet
7pm Session 1

Saturday 18th June: 2pm refreshments
2.30pm Session 2
5.15pm Evening meal
7pm Session 3

Do book these dates and times in your diary and plan to attend them all so that you can experience the full benefit of the build-up of Anthony's teaching.

Have you noticed that on Sunday mornings for some time we have been following a sermon series entitled Mission Possible?

This is part of the parish response to our key priority this year to equip our churches for Evangelism, and supports our belief that **Mission is Possible** today, even though the culture is changing fast and this requires that we learn new ways of communicating the gospel to the next generation. If you have missed any of the sermons and would like copies please let me know. *Revd Lisa 0161 792 5362* lisabattye@stpaulsparish.org.uk
